The purpose of this forum

- To provide a platform for the capital's cycle training stakeholders
 - The beginning of an ongoing dialogue
- Supporting one another to deliver shared objectives
 - Working more closely with TABS to support the cycle training industry
- Sharing best practice and issue resolution
 - An opportunity to consult with one another and knowledge share

Looking ahead / Next Steps?

- It's up to you
 - If feedback is positive we could explore making this an annual event
- Please do provide us with as much feedback as possible
